

THE CASE FOR SUPPORT

An Opportunity to Invest

Dear Friends of Williamsburg Christian Academy,

Greetings from Williamsburg Christian Academy. I pray that the Lord has blessed you and your family with health and renewed energy to glorify His name this year. Williamsburg Christian Academy is a K-12 day and boarding school ministry located where our nation's history began. In my second year of service as WCA's head, the Board of Directors and I have collaborated to develop a bold strategic vision for His glory.

WCA is excited to launch a four-year, \$11 million Capital Campaign, which will enable us to expand His kingdom and spread the gospel globally to young people for decades to come. The purpose of Williamsburg Christian Academy's strategic campaign through 2025 is twofold:

 Expand our residential life ministry to further spread the gospel to young people across the world.

 Develop an endowment. Our endowment fund's annual dividends will supplement student financial aid, faculty professional development, and facility enhancements.

Revelation 7:9 tells us that, while on the Isle of Patmos, John saw a heavenly vision in which every tribe, tongue, and nation worshipped the Lamb of God on the throne. Please pray about partnering with the WCA K-12 ministry to grow His kingdom globally on earth to offer students of all nations the opportunity to worship Christ, live, study, and play together in the love as defined in 1 Corinthians 13: 4-8. Additionally, your help will better support WCA's faculty servants who demonstrate Christ's love and dedicate themselves to providing rigorous instruction to our students every day.

For more information about our Capital Campaign, please visit giving.williamsburgchristian.org or contact me at hos@williamsburgchristian.org. Thank you for your time and prayerful consideration.

Yours in Christ,

Johnny Graham

Head of School
2 Corinthians 9: 6-9
