You will receive more information on the tournament, and (if you are sponsoring) how to submit your poster-ready logo for use on the website, flyers and all other tournament promotional materials. Be advised that if we do not receive a high-resolution copy of your logo, we will do our best to obtain it online, but that image's resolution may result in a less than desirable representation of your brand. We recommend submission of high resolution .eps, .psd, .png or .jpeg versions of your primary logo (in that order).

If you did not enter team member names on the registration form, please contact hoa@williamsburgchristian.org to relay those when available.
